Makhubele

A professional and innovative young professional with an exemplary academic record and a passion to progress within the IT field.

Has received excellent grades in all modules from first year, second year as well as third year coupled with an active involvement in student mentorship as well as leadership, having Head Of Academics in ICT (Information and Communication Technologies). Highly motivated and dedicated individual seeking an opportunity to contribute to a dynamic company by applying my skills and knowledge in web development and programming. Eager to learn and grow in a positive and collaborative environment.
